UNAIZ AHMED BAJWA

Network Administrator | IT Infrastructure & Security | Linux | PHP & Laravel

Karachi, Pakistan | unaiz.bajwa7599@gmail.com | +92 315 2314976 | linkedin.com/in/unaiz-ahmed-bajwa-236a51237 | unaizahmedbajwa-dev.github.io

PROFESSIONAL SUMMARY

IT professional with 7+ years of experience keeping business-critical systems secure, available and fast. Experienced in cloud infrastructure (AWS), system performance monitoring and optimization, security hardening, troubleshooting across application, database and network layers, and deployment through CI/CD pipelines. Holds the Google IT Support Professional Certificate covering computer networking, operating systems, system administration and IT security. Strong hands-on background in PHP, Laravel, WordPress, MySQL and Linux-based web hosting, with a track record of supporting users, documenting systems and leading technical teams.

CORE SKILLS

Networking	TCP/IP, DNS, DHCP, LAN/WAN fundamentals, network troubleshooting, connectivity & performance issues, bandwidth and availability monitoring
Security	Network & web application security, access control & authentication, secure configuration, security best practices & user awareness
Systems & Cloud	Linux, AWS / cloud platforms, server deployment, GoDaddy hosting, domains & DNS management, CI/CD pipelines, Git
Web & Databases	PHP, Laravel, WordPress, MySQL, PostgreSQL, HTML, CSS, Bootstrap, JavaScript, database design & optimization
Support & Process	Technical support, root-cause analysis, incident resolution, technical documentation, SDLC, Agile/Scrum, JIRA

PROFESSIONAL EXPERIENCE

Principal Software Engineer
May 2025 – Oct 2026

InterPay — Karachi, Pakistan

- Managed and optimized AWS-hosted infrastructure for an enterprise Point-of-Sale system serving multiple retail outlets and 500+ daily transactions with high availability.
- Monitored system performance and resolved bottlenecks, reducing average API response time by 30% through database optimization, caching and cloud configuration.
- Implemented security measures across systems and APIs, including authentication, access control and secure connectivity with 6+ third-party airline/GDS providers.
- Maintained CI/CD pipelines and deployment workflows to ensure stable, repeatable releases and minimal downtime.
- Led a team of 6 engineers; provided technical support and troubleshooting across application, database and integration layers.
- Supported ERP customization and integration, coordinating between technical and business teams.

SQA Analyst (Freelance)
Sep 2025 – Present

Client Projects — Remote

- Tested web applications and business workflows (functional, regression, smoke and integration testing).
- Investigated issues across application, database and integration layers; verified data and transactions using SQL.
- Tracked defects and documented test evidence in JIRA/Confluence; validated fixes and releases with developers.

Senior Team Lead
May 2021 – Apr 2025

Tafsol Technologies — Karachi, Pakistan

- Led 8 developers delivering 3 concurrent enterprise platforms (CRM, HRM, Construction Site Management).
- Directed database design, migrations and performance tuning, improving average query performance by 25% and ensuring high availability.
- Integrated third-party APIs and business systems, ensuring reliable data flow between CRM, HRM and ERP modules.
- Reduced post-release production issues by 20% through rigorous testing, QA and fast issue resolution.
- Provided technical mentorship, code reviews and day-to-day technical support to the team.

.NET Developer — Intern Oct 2019 – Dec 2019

Smart Milestones — Karachi, Pakistan

- Developed applications with C# and ASP.NET backed by SQL Server; assisted in testing, debugging and troubleshooting.

EDUCATION

BS in Computer Science — Iqra University, Karachi 2017 – 2021

Intermediate — Govt. Dehli College, Karachi 2015 – 2017

CERTIFICATIONS & AWARDS

- **Google IT Support Professional Certificate** — Coursera, 2023 (Networking, Operating Systems, System Administration, IT Security)
- **AWS Educate** — Amazon Web Services, 2022
- **The Complete Web Developer Bootcamp** — Udemy, 2023
- **Leadership Excellence Award** — Final Year Project, Iqra University, 2022
