UNAIZ AHMED BAJWA

Senior Backend Engineer | Node.js & PHP/Laravel | 7+ Years of Experience

Karachi, Pakistan | unaiz.bajwa7599@gmail.com | +92 315 2314976 | linkedin.com/in/unaiz-ahmed-bajwa-236a51237 | unaizahmedbajwa-dev.github.io

PROFESSIONAL SUMMARY

Principal Software Engineer with 7+ years of backend development experience building scalable APIs, microservices and enterprise platforms with Node.js and PHP/Laravel. Previously led architecture and delivery at InterPay, including a Travel & Airlines Reservation System built on Node.js and Laravel with 6+ third-party airline/GDS API integrations. Strong background in RESTful API design, PostgreSQL/MySQL, AWS, CI/CD and performance optimization, with a track record of leading and mentoring engineering teams.

CORE TECHNICAL SKILLS

Backend: Node.js, JavaScript, PHP, Laravel, RESTful API Design & Development, Microservices Architecture, OOP, MVC

Databases: PostgreSQL, MySQL, Database Design & Optimization, ORM (Eloquent)

Cloud & DevOps: AWS / Cloud Platforms, CI/CD Pipelines, Task Scheduling, Performance Optimization

Integration & Quality: Third-Party API Integration (Airline/GDS), Web Security, TDD, Testing & Debugging, ERP Integration

Frontend: JavaScript, jQuery, AJAX

PROFESSIONAL EXPERIENCE

Principal Software Engineer — InterPay, Karachi

May 2025 – Oct 2026

- Lead full-cycle development of a Travel & Airlines Reservation System using Node.js, Laravel and PostgreSQL, integrating 6+ third-party airline/GDS APIs and owning ticketing workflows and end-to-end booking logic.
- Architect scalable microservices and backend systems focused on performance, security and maintainability for high-traffic enterprise applications.
- Reduced average API response time by 30% through database optimization, caching strategies and AWS cloud integration.
- Lead end-to-end architecture of an enterprise Point-of-Sale (POS) system with RESTful APIs supporting 500+ daily transactions across multiple retail outlets.
- Lead and mentor a cross-functional team of 6, conducting code reviews and driving adoption of SOLID principles, TDD and CI/CD pipelines.
- Partner with stakeholders to translate requirements into technical roadmaps across the full SDLC, and support ERP customization and integration.

Senior Team Lead — Tafsol Technologies, Karachi

May 2021 – April 2025

- Led a team of 8 developers delivering 3 concurrent enterprise platforms: CRM, HRM and Construction Site Management.
- Architected secure, scalable backend systems and RESTful APIs powering all three platforms end to end.
- Directed database design, migrations and optimization, improving average query performance by 25%.
- Integrated third-party APIs and business systems for smooth data flow between CRM, HRM and ERP modules.
- Reduced post-release production issues by 20% through rigorous testing and QA processes; mentored the team through regular code reviews.

Dot Net Developer (Intern) — Smart Milestones, Karachi

Oct 2019 – Dec 2019

- Developed applications with C#, ASP.NET and SQL Server; participated in code reviews, testing and debugging.

Customer Service Relations (Intern) — Bayer Pakistan Pvt Limited, Karachi

Jan 2020 – Apr 2020

- Managed CRM data and customer communications, analyzing feedback trends to support service improvements.

KEY PROJECTS

Travel & Airlines Reservation System — InterPay

Stack: Node.js, Laravel, PostgreSQL, RESTful APIs, Airline/GDS Integrations, AWS

End-to-end airline ticketing and reservation platform integrating multiple third-party airline/GDS APIs for bookings, fare rules and itinerary management.

Point-of-Sale (POS) System — InterPay

Stack: Laravel, PHP, MySQL, RESTful APIs, AWS

Real-time retail platform for billing, inventory and reporting across multiple outlets, built for high transaction throughput.

CRM, HRM & Construction Site Management Systems — Tafsol Technologies

Stack: Laravel, PHP, MySQL, PostgreSQL, RESTful APIs

Enterprise platforms covering sales pipelines and support tickets, employee records, attendance and payroll, and construction site operations and resource tracking.

EDUCATION

BS in Computer Science — Iqra University, Karachi — 2017 – 2021

Intermediate — Govt. Dehli College, Karachi — 2015 – 2017

CERTIFICATIONS & AWARDS

- Google IT Support Professional Certificate — Coursera, 2023
- The Complete Web Developer Bootcamp — Udemy, 2023
- AWS Educate (for Students & Beginners) — Amazon Web Services, 2022
- Leadership Excellence Award — Final Year Project, Iqra University, 2022
